MEMORANDUM FOR THE UNITED STATES INTELLIGENCE BOARD

SUBJECT: Report on Foreign Intelligence Publications

1. At its 29 March meeting the United States Intelligence Board approved the report of the Ad Hoc Committee on Foreign Intelligence Publications, as amended, and agreed that it be forwarded to the President's Board of Consultants on Foreign Intelligence Activities.

2. In order that Board members may have copies of this report which will reflect the changes made at the meeting, we have prepared new pages which incorporate those amendments. Some of the revised pages also contain changes requested prior to the meeting by Board members, but which had not appeared in the draft Committee report originally distributed as USIB-D-39.6/2, 24 March. Accordingly, please substitute the attached revised pages (pp. 1, 2, 13, 16, 17, 31, 32, 41, 45, 47, 50, 51, plus cover page) for the corresponding pages in the report previously circulated.
